South Carolina - May 21, 22 & 23, 2010

THROUGHOUT HISTORY CERTAIN TENDENCIES, ILLNESS'S , TRAITS, THOUGHT PATTERNS , GIFTS AND TALENTS HAVE BEEN PASSED TO US. SOME OF US CARRY COMMITMENTS FROM LIFE TIME TO LIFE TIME OURSELVES. * IF WE ARE TO BELIEVE THIS IS POSSIBLE, THEN WE MUST ALSO BELIEVE THAT WE CAN CHANGE THE CYCLES. * MANY OF US TOOK VOWS OF POVERTY THAT NO LONGER APPLY TODAY, BUT THE RESIDUAL EFFECTS OF THAT CARRY OVER. WE CARRY WOUNDS OF THE BODY, MIND, EMOTION AND SPIRIT. SOME, OF OUR OWN MAKING AND SOME PASSED TO US THROUGH THE GENERATIONS. * IF WE ARE TO BELIEVE THIS POSSIBLE, THEN WE MUST ALSO KNOW WE ARE PASSING THEM FORWARD TO THE GENERATIONS NOW, AND YET TO COME. * THE TRAUMAS, CURSES, AND LIFE PATTERNS OF PAIN, FEAR, DEPRESSION, DISEASE, NEGATIVITY, ANGER, SOUL LOSS, AND A SENSE OF UNWORTHINESS MANY TIMES KEEP US IMMOBILIZED. * YOUR MISSION, SHOULD YOU ACCEPT, IS TO TAKE RESPONSIBILITY FOR WHO AND WHERE YOU ARE NOW. TO CREATE CLEARINGS, CLEANSINGS, AND SEVERINGS OF TIES TO THE PAST THAT DO NOT SERVE YOU. * WE MUST ALSO KEEP IN MIND THAT MANY GOOD THINGS HAVE BEEN PASSED TO US FROM OUR ANCESTRAL HISTORY, AND IN ACCEPTING THIS, WE MUST GIVE RECOGNITION, GRATITUDE AND PRAISE FOR THESE GIFTS, TALENTS AND STRENGTHS. * THROUGH DRUMMING, JOURNEYING, RITUALS AND PRAYER WE WILL LIFT OURSELVES UP TO BE HEALED PHYSICALLY, MENTALLY, EMOTIONALLY AND SPIRITUALLY. * WE WILL BECOME THE WARRIOR WOMEN WE WERE AND ARE INTENDED TO BE. WE WILL RELEASE THAT WHICH NO LONGER SERVES US, AND EMBRACE THE POWERS THAT WERE AND ARE OUR TRUE INHERITANCE, AND WE WILL PASS IT FORWARD INTO OUR ANCESTRAL FUTURE.

Saturday Night Pipe Carriers Dance

You do not have to carry a Pipe to Dance the Dance. This Dance is in honor of the Medicine of the Pipe and for strength for those that follow the way of the Pipe to dedicate themselves for another year. Everyone present is invited to Dance this special event. All Pipe carriers of all traditions are invited. The Dance will take place on Saturday night around a Dance Pole that has been used at eleven previous Dances. Symbolically, the Dance shows that the Pipe Carries the People and the one holding the Pipe Pledges to Pray for all the People. We Dance with filled Pipes and at the end sit quietly and Smoke. This truly is a humbling experience and the manifestation of a Vision given to Wind Daughter to carry forth as part of her Medicine.

Ceremonies are a Gift between Spirit and the Participants. There is never a charge for Ceremony. We will live & pray as a community. Each person providing his/her own food. Please bring food that can be eaten from a cooler. Tea, coffee, fruit, juice & milk will be provided each day. No private fires will be allowed, however, Coleman stoves are okay.
No Drugs, Alcohol, Firearms or Pets.

VISIT THE ISLE OF WOMEN

Isla Mujeres - just a short ferry ride across the beautiful blue water from Cancun. In Mayan times the Island served as the sanctuary for the Goddess Ix Chel. The remains of her Temple still stands at the south point of the Island. Torch light used to filter through the holes in the walls and could be seen from miles out to sea. The Island was discovered in 1517 by the Spanish where they found Female Statues along the rocky Coastline, guarding the Island and announcing the power of the feminine.

IX CHEL - AGED JAGUAR GODDESS

Of Midwifery and Medicine. She is known as Grandmother when she comes as Earth Goddess. She often appears with small jaguar ears and claws instead of feet and hands. She is the "Goddess of Making Children". As the Moon Goddess, she represents the waning Moon. She carries an inverted jar, a vessel "the womb" being emptied. As the Rain Goddess, her inverted jar represents the nourishing waters necessary for productive crops. Her 4 sons, the Jaguar gods, named for the four directions, are responsible for holding up their corners of the sky. She can take the form of Jaguar and become invisible. She is protector of Women and Children and Keeper of the souls of the dead.

JUNGLE SPA

Enjoy a Rejuvenating Experience of Rest and Relaxation. Have a **massage** and body wrap with aloe, banana leaves and other herbs. Or a facial, manicure or pedicure. Bask in a personal healing journey with Mayan Women Practitioners.

SWIM IN CENOTES

"Abysmal and Deep", Magical, Enigmatic and Unique. Cenotes are sacred naturally forming pools of water. The surface water is fresh and crystal clear turquoise color while the depths of these pools are salt water from the oceans. Many of the 1400 actually studied and registered cenotes are areas where cave roofs have collapsed revealing an underlying cave system. For the Maya they represent the entrance to the underworld.

TULUM

Is the most important archeological site on Mexico's Caribbean coast. It is protected on one side by ocean cliffs and the others by stone walls. Here we will learn about the "Diving God", "The Goddess of Corn", the "Temple of the Winds" and more. It's ancient name was "Zama" meaning Morning or Dawn, thus its connection to Venus, the Morning Star. The energy of Tulum feels feminine and was once one of the sanctuaries of the "Speaking Cross", ruled by Maria Uicab, the Queen of Tulum.

Dear Bear Tribe Family and Friends,

December 21, 2006

I greet you this fine day. For Sun Bear the new year began at Winter Solstice. So I also have chosen this day to begin anew.

For eleven years I have carried the Mantle of Medicine Chief of The Bear Tribe. In this eleventh year, (11 being a gateway) I have been guided to step through that gateway, emerging on the other side with a new name for the organization. As spirit led me to the land, so am I being led to a new energy.

I am changing the name of the organization to ***The Medicine Chief of The Panther Lodge Medicine Society and Her Successors, a Corporation Sole.***

I'd like to share with you some of the energies and traits of *Panther* Medicine. **Keynote - Reclaiming One's True Power, Cycle of Power: Dark of the Moon - New Moon - Winter.**

The *panther* is a very powerful and ancient totem. It is a symbol of ferocity and valor. In the case of the black *panther*, there is definitely a lunar significance. Those that align with the *panther* will develop greater depths of vision - of their life, of events, or other people. This is more than just psychic sight. It is an inner knowing. With *panther* comes the ability to develop clairaudience, to hear the communications of other dimensions and other life forms. The *panther* brings healing and often signals a time of rebirth, old issues can be resolved and old wounds healed. The *panther* signals a time of imminent awaking. The *panther* holds the promise of rebirth and guardianship. It is the extra protection we need in these changing times. The *panther* is a symbol of mastery over all dimensions. The roar of the *panther* is the roar of thunder.

Nietzsche once said that "That which does not kill us makes us stronger". It is this same idea that is awakened in the lives of those who open the power of the *panther* totem.

The black *panther* is the symbol of the feminine, the dark of the moon. It is the symbol for the life and power of the night. It is the symbol of the feminine energies manifest upon the earth. It is the feminine gift of creation found in both males and females. That which we can imagine we can manifest, and in that manifestation we CAN create. The creation is up to us. I choose peace, prosperity, health and abundance. I hope you will join me as we move forward reclaiming our True Power with the help of *PANTHER*, (for more information on the medicine of *panther*, please read *Animal Speak* by my friend Ted Andrews). A black *panther* roams the mountains and valleys here at West Winds, the home of The *Panther* Lodge Medicine Society, in the heart of the Ozarks. It has been seen by visitors.

The website www.thebeartribemedicinesociety.org will be maintained as I continue to create a historical collection of Bear Tribe information and pictures. The Medicine Wheels will continue as well as the teachings of the
